3. PURCHASE PRICE

- 3.1 The purchase price for the Goods and Services is the price set out in the Quote (**Purchase Price**). Unless otherwise expressly stated in the Quote, the Purchase Price is inclusive of GST.
- 3.2 The Purchase Price is dependent upon our quality assurance processes and an inspection of your Premises (which inspection may occur on the scheduled installation date).
- 3.3 If, as a result of our quality assurance processes or the inspection of your Premises we need to vary the Purchase Price we will advise you of the variation and you may either accept the varied Purchase Price or cancel the Agreement. If you cancel the Agreement clause 7 will apply.

- 3.4 Where you fail to provide information to us that we have advised you is required by us, within the limit limits required by us, we may in our absolute discretion arrange for an accredited contractor to attend the Premises prior to the scheduled installation date to carry out an inspection in order to obtain the required information. If such an inspection is carried out then you will be required to pay a separate fee of \$140 for the inspection, which will be payable on the day of the inspection.

These services will not be performed by us or on our behalf. You will be billed separately for these services by the third parties who perform these services.
- 4.2 Switchboard upgrades do not form part of the Agreement. You may either arrange for a third party to perform this service or you may ask us to arrange the performance of this service for you. You will be billed separately for this service by any third party who performs this service. **This fee is not included in the Purchase Price.**
- 4.3 If the existing electrical infrastructure at the Premises, or the surfaces or structures on which the Goods are to be installed, do not comply with all relevant legal requirements (including all relevant codes and regulations) you may be required to repair, replace or improve, at your own expense, those parts that are non-compliant prior to the installation of the Goods.
- 4.4 Your obligation to pay the Purchase Price is not affected by any delay by a third party in performing any service or works referred to in this clause 4.

5. PAYMENT OF THE PURCHASE PRICE

- 5.1 Subject to clause 5.6, you are required to pay the Purchase Price as follows:
- (a) the amount of the Deposit (if any) on the day you commit to purchase; and
 - (b) the balance (being the Purchase Price less the Deposit) in full on or before the day of installation.

- 5.3 Unless specified otherwise in your Quote, you will be charged a 2% surcharge in the event you pay the balance of the Purchase Price (or any part thereof) by credit card and/or any costs referred to in clause 3.5 (if applicable).
- 5.4 If you fail to pay the Purchase Price when due, or if any purported payment by you is not honoured, you must pay on demand any costs, expenses or losses which have been, or are likely to be, incurred by us as a result, including costs associated with the collection of any outstanding amounts (including the costs of any debt collection agency) and any cheque dishonour fees.
- 5.5 If you fail to pay the Purchase Price when due you acknowledge and agree that we may (without prejudice to any other rights or remedies that we may have):
- (a) charge interest on the overdue amount at a rate equal to the rate specified in the *Penalty Interest Rates Act 1983 (Vic)* plus 2% which will be calculated on a day by day basis from the date the amount was due until the date the overdue amount is paid in full;
 - (b) lodge a default on your credit history file;

 - (ii) this Agreement alone, and not any terms and conditions of the Energy Matters 'Save As You Go Solar' provider, will apply to the Goods and Services.

6. INSTALLATION

- 6.1 We will endeavour to arrange the installation of the Goods at the Premises by our contractor within 4 to 6 weeks after approval to connect the Goods to the electricity network has been communicated to us by the third party responsible for issuing such approval. We will advise you if for any reason we will be unable to meet this timeframe.
- 6.2 The Purchase Price includes connection of the Goods to a switchboard which is located in the building onto which the Goods are to be installed. You or your representative must be at the Premises on the scheduled installation date to give the contractor clear directions for the positioning of the Goods and to resolve any issues that might arise.
- 6.3 If you or your representative is not at the Premises on the scheduled installation date then:
- (a) the contractor may perform the Services, using their reasonable judgement and experience in determining where to position the Goods. In such circumstances you will not have any claim in relation to how the contractor has positioned the Goods at the Premises; or
 - (b) we may arrange with you to have the Services performed on a different date, in which case all reasonable amounts incurred by us and the contractor in preparing for the original scheduled installation date will be due and payable by you. We may, in our absolute discretion, withhold these amounts from any amounts paid by you to us up to the time of cancellation or, where you have provided your credit card details to us, charge these amounts to your credit card and by accepting these Terms and Conditions you authorise us to do so; or
 - (c) we may cancel the Agreement, in which case clause 7.5 will apply.

- 7.4 We may cancel the Agreement if we are of the opinion that, due to conditions at the Premises, the Services cannot be performed safely or cannot be performed for the Purchase Price. If we cancel the Agreement in circumstances where we would have been able to determine the conditions at the Premises had you provided information that we informed you was required by us within the time limits required by us, we will refund in full all amounts paid by you up to and including the date of cancellation but a \$500 cancellation fee will be due and payable by you to us. We may, in our absolute discretion, withhold the \$500 cancellation fee from your refund or, where you have provided your credit card details to us, charge this fee to your credit card and by accepting these Terms and Conditions you authorise us to do so. This clause 7.4 will apply regardless of the fact that we did not exercise our discretion to carry out a site inspection pursuant to clause 3.4.

- 7.5 We may cancel the Agreement in accordance with clause 6.3(c) if you or your representative is not at the Premises on the scheduled installation date. If we cancel the Agreement in these circumstances all reasonable amounts incurred by us and the contractor in preparing for your installation will be due and payable by you to us. We may, in our absolute discretion, withhold these amounts from any amounts paid by you to us up to the time of cancellation or, where you have provided your credit card details to us, charge these amounts to your credit card and by accepting these Terms and Conditions you authorise us to do so.
- 7.6 We may cancel the Agreement if, through no fault of ours, you are unable or unwilling to proceed with the installation of the Goods for a period of more than 3 months after the date on which the Agreement was formed, unless that period has been extended by mutual agreement. If we cancel the Agreement in these circumstances we will refund in full all amounts paid by you up to and including the date of cancellation but a \$250 cancellation fee will be due and payable by you to us. We may, in our absolute discretion, withhold the \$250 cancellation fee from your refund or, where you have provided your credit card details to us, charge this fee to your credit card and by accepting these Terms and Conditions you authorise us to do so.

Consequences of cancellation

- 7.7 If you cancel the Agreement in circumstances other than those set out in clauses 7.1, 7.2 or 7.3:
- (a) if you cancel more than 5 business days before the scheduled installation date, we will refund in full all amounts paid by you up to and including the date of cancellation but a \$250 cancellation fee will be due and payable by you to us. We may, in our absolute discretion, withhold the \$250 cancellation fee from your refund or, where you have provided your credit card details to us, charge this fee to your credit card and by accepting these Terms and Conditions you authorise us to do so; or
 - (b) if you cancel 5 business days or less before the scheduled installation date, subject to sub-clause (c), we will refund in full all amounts paid by you up to and including the date of cancellation but a \$500 cancellation fee will be due and payable by you to us. We may, in our absolute discretion, withhold the \$500 cancellation fee from your refund or, where you have provided your credit card details to us, charge this fee to your credit card and by accepting these Terms and Conditions you authorise us to do so; or
 - (c) if you cancel within 48 hours of your scheduled installation date all reasonable amounts incurred by us in preparing for your installation will be due and payable by you to us. We may, in our absolute discretion, withhold these amounts from any amounts paid by you to us up to the time of cancellation or, where you have provided your credit card details to us, charge these amounts to your credit card and by accepting these Terms and Conditions you authorise us to do so.
- 7.8 If you choose to cancel the Agreement pursuant to this clause 7, you must notify us of your decision to cancel the Agreement before the Goods have been installed in order for the cancellation to take effect.
- 7.9 We will refund any amounts due to you in accordance with this clause 7 within 30 days of the date of cancellation.

- 8.1 You may be entitled to receive a feed in tariff from your electricity retailer in relation to electricity produced by the Goods which is fed back into the electricity network. Any information provided by us regarding the applicability of any feed in tariffs is based on our understanding of your current situation and based on the current information that has been provided to us by electricity retailers and State governments. We strongly recommend that you personally contact your electricity retailer for advice about the exact feed in tariffs that might apply to your situation.
- 8.2 You may be entitled to receive a grant, rebate or other benefit from a government or to create Small-scale Technology Certificates (**STCs**) as a result of the purchase or installation of the Goods. We do not warrant that you will receive any grant, rebate or other benefit or be entitled to create STCs.
- 8.3 If the Purchase Price incorporates a point of sale discount on the basis that:
- (a) you will assign some or all of your rights to create STCs to us, the Purchase Price is conditional on you assigning to us your rights to create those STCs;
 - (b) we will receive payment of a grant, rebate or other benefit, you authorise us to apply for that grant, rebate or other benefit in your name and to receive payment of that grant, rebate or benefit on your behalf.

- 8.5 We will use our reasonable endeavours to assist you to assign to us your right to create any STCs or to apply for and receive any grant, rebate or other benefit that you may be entitled to or eligible to create as a result of the installation of the Goods. However if, for any reason outside our control:
- (a) you have not received the payment of any grant, rebate or benefit incorporated in the Purchase Price; or
 - (b) we are not able to create the number of STCs anticipated in the Quote,
- you must pay the amount of that grant, rebate or benefit or the amount equal to the value of the point of sale discount given (or the balance which remains outstanding) to us within 7 days of us notifying you of the additional amount being payable.
- 8.6 You acknowledge that a government may, at any time, make legislative changes which may affect your eligibility for, or entitlement to, any incentives, subsidies, grants, rebates, STCs or other benefits. We will not be liable to you in the event that such legislative changes occur and you expressly exclude us from any such liability.
- 8.7 You acknowledge that in certain circumstances a government may require you to repay a grant, rebate or other benefit. Except where we have breached our obligations to you, we will have no responsibility to you in the event that you are required by a government to repay a grant, rebate or other benefit.
